Explanatory Statement as required under Section 102 of the Companies Act, 2013**Item No. 3 of The Notice:****Reclassification of the Status of Promoters Shareholding into Public Shareholding**

Regulation 31A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as "Listing Regulations") has provided a regulatory mechanism for classification of Promoters & Promoter group as Public Shareholders subject to fulfilment of conditions as provided therein.

In this regard, the Company received application from the person/entities (as set out below) pursuant to Regulation 31A of the Listing Regulations for classifying them under the Public Category since their names have been included as a part of the Promoter and Promoter group.

Sr. No.	Name	No. Of Equity shares held	Percentage of holding
1.	Pradip R. Shah	90700	1.47%
2.	Pankaj R. Shah	1159	0.02%
3.	Sujay P. Shah	Nil	0.00%

They are not the 'immediate relatives' nor are they controlled by the remaining Promoters of the Company, Nirav K. Shah, Dharini K. Shah, Apurva K. Shah and Shah Kalyanbhai Jayantilal – HUF as per the definition of promoter group as provided in Regulations 2(1)(zb)(ii) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009. ICDR

They are financially independent persons/entities, who take independent investment decisions and are no way related to any of the business carried out by the Company. Further they do not hold any key managerial position or representations of the Board of Directors in the Company and are not engaged in any management or day to day affairs of the Company and also do not have any right either to appoint any Director of the Company or an ability to control the management or policy decisions of the Company in any manner whatsoever including by virtue of their shareholding. Further, they shall not act as a key managerial person or be represented on the Board of Directors of the Company for a period of three years post this reclassification. None of their act influences the decision taken by the Company and they do not have any special right through formal or informal arrangements/ shareholder agreement with the Company or with the Promoter of the Company.

Vide their letter dated August 6 2024, the Promoter and Promoter Group mentioned above have requested the Company for:

- (i) Reclassification of the various persons/entities (as mentioned in the table above) as the Promoter and Promoter Group; and
- (ii) Reclassification of its shareholding of the various persons/entities (as mentioned in the table above) as Public Shareholding.

In view of the explanations given by the Applicants as detailed above and in consideration to the conditions as stipulated in Regulation 31A of the Listing Regulations, the Board of Directors of the Company at their meeting held on 13th August, 2024 have approved the application for reclassification received by the Company as above from Promoter and Promoter Group category to Public category

subject to approval by the members and relevant regulatory authorities. As required, intimation has been sent to Stock Exchanges based on declaration received from the aforesaid persons/entities.

Further as per Rule 19A of the Securities Contracts (Regulation) Rules, 1957, the public shareholding as on date of the notice fulfils the minimum public shareholding requirement of at least 25% and the proposed reclassification does not intend to increase the public shareholding to achieve compliance with the minimum public shareholding requirement.

Further, in accordance with Regulation 31A of the Listing Regulations, the said reclassification requires the approval of the Stock Exchanges, where the shares of the Company are listed. In terms of the procedure adopted by the Stock Exchanges for granting such approval, the Stock Exchanges, inter alia, require that the Company obtain the consent of the Shareholders of the Company, for the said reclassification.

None of the Directors, Key Managerial Person, or their relatives is concerned or interested in this resolution except to the extent and manner set out in the resolution.

The Board recommends passing of the resolution as set out under item no.3 for approval of the Members as Ordinary Resolution.

The relevant documents in this regard are available for inspection in, between 11:00 A.M. to 1:00 P.M. on all working days i.e., Monday to Friday, till the date of Annual General Meeting, at the Registered Office of the Company.

IMPORTANT COMMUNICATION TO MEMBERS

The Ministry of Corporate Affairs has taken “Green Initiative in the Corporate Governance” by allowing paper less compliances by the companies and has issued circulars stating that service of notice/documents including Annual Report can be sent by e-mail to its members. This will also ensure prompt receipt of communication and avoid loss in postal transit. These documents can also be downloaded by the shareholders from the Company’s website i.e. www.jayatmaenterprises.com. To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses so far, are requested to register their e-mail addresses by sending e-mail to support@purvashare.com with subject as ‘E-mail for Green Initiative’ mentioning their Folio No./Client ID. Members holding shares in electronic form may register/update their e-mail addresses with the Depository through their concerned Depository Participant(s).

NOTES:**CDSL e-Voting System – For e-voting and Joining Virtual meetings.**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.jayatmaindustries.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **21/09/2024, 9:00 AM** and ends on **23/09/2024, 5:00 PM**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **17/09/2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- (iv) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (v) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the Management Discussion and Analysis Report for the year ended on 31st March, 2024.

GLOBAL ECONOMY

*GLOBAL growth is projected at 3.1 percent in 2024 and 3.2 percent in 2025, with the 2024 forecast 0.2 percentage point higher than that in the October 2023 World Economic Outlook (WEO) on account of greater-than-expected resilience in the United States and several large emerging market and developing economies, as well as fiscal support in China. The forecast for 2024–25 is, however, below the historical (2000–19) average of 3.8 percent, with elevated central bank policy rates to fight inflation, a withdrawal of fiscal support amid high debt weighing on economic activity, and low underlying productivity growth. Inflation is falling faster than expected in most regions, in the midst of unwinding supply-side issues and restrictive monetary policy. Global headline inflation is expected to fall to 5.8 percent in 2024 and to 4.4 percent in 2025, with the 2025 forecast revised down.

- With disinflation and steady growth, the likelihood of a hard landing has receded, and risks to global growth are broadly balanced. On the upside, faster disinflation could lead to further easing of financial conditions. Looser fiscal policy than necessary and then assumed in the projections could imply temporarily higher growth, but at the risk of a costlier adjustment later on. Stronger structural reform momentum could bolster productivity with positive cross-border spillovers. On the downside, new commodity price spikes from geopolitical shocks—including continued attacks in the Red Sea—and supply disruptions or more persistent underlying inflation could prolong tight monetary conditions. Deepening property sector woes in China or, elsewhere, a disruptive turn to tax hikes and spending cuts could also cause growth disappointments.

- Policymakers' near-term challenge is to successfully manage the final descent of inflation to target, calibrating monetary policy in response to underlying inflation dynamics and—where wage and price pressures are clearly dissipating—adjusting to a less restrictive stance. At the same time, in many cases, with inflation declining and economies better able to absorb effects of fiscal tightening, a renewed focus on fiscal consolidation to rebuild budgetary capacity to deal with future shocks, raise revenue for new spending priorities, and curb the rise of public debt is needed. Targeted and carefully sequenced structural reforms would reinforce productivity growth and debt sustainability and accelerate convergence toward higher income levels. More efficient multilateral coordination is needed for, among other things, debt resolution, to avoid debt distress and create space for necessary investments, as well as to mitigate the effects of climate change.

** Global Outlook. Global growth is projected to stabilize at 2.6 percent this year, holding steady for the first time in three years despite flaring geopolitical tensions and high interest rates. It is then expected to edge up to 2.7 percent in 2025-26 amid modest growth in trade and investment. Global inflation is projected to moderate—but at a slower clip than previously assumed, averaging 3.5 percent this year. Given continued inflationary pressures, central banks in both advanced economies and emerging market and developing economies (EMDEs) will likely remain cautious in easing monetary policy. As such, average benchmark policy interest rates over the next few years are expected to remain about double the 2000-19 average.

Despite an improvement in near-term growth prospects, the outlook remains subdued by historical standards in advanced economies and EMDEs alike. Global growth over the forecast horizon is expected to be nearly half a percentage point below its 2010-19 average pace. In 2024-25, growth is set to underperform its 2010s average in nearly 60 percent of economies, representing more than 80 percent of global population and world output. EMDE growth is forecast to moderate from 4.2 percent in 2023 to 4 percent in both 2024 and 2025. Prospects remain especially lackluster in many vulnerable economies—over half of economies facing fragile- and conflict-affected situations will still be poorer by the end of this year than on the eve of the pandemic.

Global risks remain tilted to the downside despite the possibility of some upside surprises. Escalating geopolitical tensions could lead to volatile commodity prices, while further trade fragmentation risks additional disruptions to trade networks. Already, trade policy uncertainty has reached exceptionally high levels compared to other years that have featured major elections around the world since 2000. The persistence of inflation could lead to delays in monetary easing. A higher-for-longer path for interest rates would EMDEs with ample fiscal space and a record of efficient government spending, scaling up of public investment by one percent of GDP can increase output by

up to 1.6 percent over the medium term. Public investment also crowds in private investment and boosts productivity, promoting long-run growth in these economies.

To maximize the impact of public investment, EMDEs should undertake wide-ranging policy reforms to improve public investment efficiency— by, among other things, strengthening governance and fiscal administration—and create fiscal space through revenue and expenditure measures. The global community can play an important role in facilitating these reforms—particularly in lower-income developing countries—through financial support and technical assistance. *Fiscal Challenges in Small States: Weathering Storms, Rebuilding Resilience*. The COVID-19 pandemic and the global shocks that followed have worsened fiscal and debt positions in small states. This has intensified their already substantial fiscal dampen global activity. Some major economies could grow more slowly than currently anticipated due to a range of domestic challenges. Additional natural disasters related to climate change could also hinder activity. On the upside, global inflation could moderate more quickly than assumed in the baseline, enabling faster monetary policy easing. In addition, growth in the United States could be stronger than expected.

Against this backdrop, decisive global and national policy efforts are needed to meet pressing challenges. At the global level, priorities include safeguarding trade, supporting green and digital transitions, delivering debt relief, and improving food security. At the national level, persistent inflation risks underscore the need for EMDE monetary policies to remain focused on price stability. High debt and elevated debt-servicing costs will require policy makers to seek ways to sustainably boost investment while ensuring fiscal sustainability. To meet development goals and bolster long-term growth, structural policies are needed to raise productivity growth, improve the efficiency of public investment, build human capital, and close gender gaps in the labor market.

Regional Prospects. Growth is projected to soften in most EMDE regions in 2024. In East Asia and Pacific, the expected slowdown this year mainly reflects moderating growth in China. Growth in Europe and Central Asia, Latin America and the Caribbean, and South Asia is also set to decelerate amid a slowdown in their largest economies. In contrast, growth is projected to pick up this year in the Middle East and North Africa and SubSaharan Africa, albeit less robustly than previously forecast.

Harnessing the Benefits of Public Investment. Public investment can be a powerful policy lever in EMDEs to help ignite growth, including by catalyzing private investment. However, public investment in these economies has experienced a significant slowdown in the past decade. In challenges—especially the need to manage more frequent climate change-related natural disasters. Two-fifths of the 35 EMDE small states are at high risk of debt distress or already in it, roughly twice the share for other EMDEs. Fiscal deficits in small states have widened since the pandemic, reflecting increased government spending to support households and firms, as well as weaker revenues.

Comprehensive fiscal reforms are essential to address the fiscal challenges confronting small states. First, small states' revenues, which are highly volatile, should be drawn from a more stable and secure tax base. Second, spending efficiency needs to be improved. These changes should be complemented by reforms to fiscal frameworks, including better utilization of fiscal rules and sovereign wealth funds. Finally, the global community can bolster funding for small states to invest in climate change resilience and adaptation, and other priority areas, including technical assistance in fiscal policy and debt management.

Independent Auditor's Report**To the Members of JAYATMA INDUSTRIES LIMITED.****(Formerly known: Santaram Spinners Ltd)****Opinion**

We have audited the accompanying financial statements of Jayatma Industries Limited ("the Company"), which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its **Profit** and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the annual financial statements for the year ended March 31, 2024. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that give a true and fair view of the loss and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to these financial results, in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and of its Joint Venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/S JAYATMA INDUSTRIES LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024.

Annexure A to the Independent Auditors' Report on the financial statements of Jayatma Industries Limited for the year ended 31 March 2024

**To,
The Members of Jayatma Industries Limited**

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (I) (a) (A) The Company has maintained proper records showing full particulars, including details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of Intangible assets.

(b) Property, Plant and Equipment were physically verified by the management in accordance with a planned programmed of verifying them at reasonable intervals having regard to the size of the Company and the nature of its assets.

(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee, and the lease agreements are duly executed in favor of the lessee) are held in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of use asset) or intangible assets during the year ended March 31, 2024.

(e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification.

(b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Therefore, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) During the year the Company has not provided loans, advances in the nature of loans, provided guarantee and security to companies as follows:

(b) During the year the investments made and the terms and conditions of the grant of all loans and advances in the nature of loan during the year are, prima facie, not prejudicial to the Company's interest.

(c) The company has during the year under Consideration has not granted any interest free loan in violation of the Act.

(d) There are no amounts of loan granted to companies which are overdue for more than ninety days.

(e) There were no loans which had fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to companies, firms, Limited Liability

Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the company

(iv) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 of the Companies Act, 2013 and the Company has not provided any guarantee or security as specified under Section 186 of the Companies Act, 2013. Further, the Company has complied with the provisions of Section 186 of the Companies Act, 2013 in relation to loans given and investments made.

(v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.

(vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacturing activities and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.

(vii) (a) The Company has liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST. According to the information and explanations given to us and based on audit procedures performed by us, following are disputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable are as follows:

Name of Statute	Nature of Dues	Amount (Rs in Lakhs)	Period to which the Amount relates	Forum where the dispute is pending
Central Sales Tax Act and Local Sales Tax Act	Sales Tax Including Interest and Penalty, as applicable	9.57/-	F.Y. 2006-07	Sales Tax Tribunal (Vat)
		9.14/-	F.Y. 2006-07	Sales Tax Tribunal (Vat)

(b)The Company is regularly depositing with appropriate authorities undisputed statutory dues. Therefore, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

(viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

(ix) (a)The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.

(d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company.

Significant Accounting Policies

- **Company Overview**

JAYATMA INDUSTRIES LIMITED (formerly known as SANTARAM SPINNERS LIMITED) (“the company”), is a public limited Company incorporated as private limited company in 1983 and subsequently converted to public limited company in 1994. The company’s shares are listed on Bombay Stock Exchange. The registered office of the Company is located at 4th Floor 1, Laxminagar, Co.op Hou. Society, Bs Naranpura Post Office, Naranpura, Ahmedabad-380013. The company is engaged in manufacturing and trading of cotton – Kapas, ginning cotton bales, raw oil and its agro by- products and yarn.

- **Basis for Preparation of Financial statements**

These financial statements have been prepared in accordance with the generally accepted accounting principles in India, on the basis of going concern under the historical cost convention and also on accrual basis. These financial statements comply, in all material aspects, with the provisions the Companies Act, 2013 (to the extent applicable) and also accounting standards prescribed by the Companies (Accounting Standards) Rules, 2006, which continue to be applicable in respect of Section 133 of the Companies Act, 2013 in terms of General Circular 15/2013 dated September 13, 2013 of the Ministry of Corporate Affairs.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle of less than twelve months, hence a period of twelve months has been considered for bifurcation of assets and liabilities into current and non-current as required by Schedule III to the Companies Act, 2013 for preparation of Financial Statements The accounting policies adopted in the preparation of financial statements are consistent with those of previous year, except for the change in accounting policy explained below

- **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles require management to make assumptions and estimates, which it believes are reasonable under the circumstances that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the period in which the results are known /materialized.

- **Property, Plant and Equipment**

Property, plant and equipment are stated at acquisition cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognized impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalized along with respective asset.

Depreciation is recognized based on the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013 for year 2023-2024.

- **Financial Instruments**

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

- **Financial Assets**

- **Classification**

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
- Those measured at amortized cost.
- Those measured at carrying cost for equity instruments of subsidiaries, and joint ventures.

- **Initial recognition and measurement**

All financial assets, are recognized initially at fair value.

- **Financial liabilities and equity instruments**
Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the Standalone Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified to equity. Dividends from such investments are recognised in the Standalone Statement of Profit and Loss within other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

Financial liabilities

The Company's financial liabilities comprise borrowings, trade payables and other liabilities.

These are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost using the EIR method. The EIR is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period at effective interest rate. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

Financial liabilities at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

Trade and other payables are recognized at the transaction cost, which is its fair value.

- **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market

The principal or the most advantageous market must be accessible by the Company.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use.

- **Revenue recognition**

The Company has adopted Ind AS 115 from 1st April, 2018 and opted for modified retrospective application with the cumulative effect of initially applying this standard recognized at the date of initial application. The standard has been applied to all open contracts as on 1st April, 2018, and subsequent contracts with customers from that date.

Performance obligation:

The revenue is recognized on fulfilment of performance obligation.

- **Sale of products:**

The Company earns revenue primarily from sale of cotton and blended yarns.

Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component.

The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations. The Company's obligation to repair or replace faulty products under standard warranty terms is recognized as a provision.

Revenue is recognized when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the asset, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.

- **Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

- **Taxation**

Tax on Income comprises current and deferred tax. It is recognized in statement of profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

- **Current tax**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred tax**

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences can be utilized. Deferred tax relating to items recognized outside the statement of profit and loss is either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date.

- **Earnings per share**

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to the ordinary shareholders of the company by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Fair value hierarchy

The following section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value through profit or loss. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

B. Fair value hierarchy for assets

Financial assets measured at fair value at March 31, 2024

	Level 1	Level 2	Level 3	Total
Financial Assets				
Investment	-	-	11.88	11.88

Financial assets measured at fair value at March 31, 2023

	Level 1	Level 2	Level 3	Total
Financial Assets				
Investment	-	-	21.26	21.26

Notes:

Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date. This represents mutual funds that have price quoted by the respective mutual fund houses and are valued using the closing Net asset value (NAV).

Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.

Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

C. Fair value of financial assets and liabilities measured at amortized cost

The Management has assessed that fair value of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets and trade payables approximate their carrying amounts largely due to their short-term nature. Difference between carrying amount of Bank deposits, other financial assets, borrowings and other financial liabilities subsequently measured at amortized cost is not significant in each

of the years presented. For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

➤ **Financial risk management**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board has established the Audit Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee holds regular meetings and report to board on its Activities. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management of risk
Credit Risk	Cash and cash equivalents, trade receivables, Financial assets measured at amortized Cost.	Aging analysis	Diversification of funds to bank deposits, Liquid funds and Regular monitoring of credit limits
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow Forecasts	Availability of surplus cash, committed credit lines and borrowing facilities

(a) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to the credit risk from its trade receivables, unbilled revenue, investments, cash and cash equivalents, bank deposits and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.

Trade Receivables

Trade receivables comprise a widespread customer base. Management evaluates credit risk relating to customers on an ongoing basis. If customers are independently rated, these ratings are used. Otherwise, if there is no independent rating, risk control assesses the credit quality of the customer, considering its financial position, past experience and other factors.

For trade receivables, provision is provided by the company as per the below mentioned policy:

Particulars	Gross Carrying Amount	Expected credit losses rate (%)	Expected Credit Losses	Carrying amount of Trade Receivable
Considered for Goods				
0-12 Months				
More than 1 Year	297.47	-	-	
	-	-	-	297.47
Total	297.47	-	-	297.47

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Liquidity Table

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

As at March 31, 2024

Financial Liabilities	Payable within 0 to 12 months	More than 12 months	Total
Non-current financial liabilities			
Borrowings	-	415.23	415.23
Current financial liabilities			
Borrowings			
Trade Payables	46.22	-	46.22
Other Financial Liability	927.61	-	1,962.13
Total financial liabilities	973.83	415.23	2,423.58

As at March 31, 2023

Financial Liabilities	Payable within 0 to 12 months	More than 12 months	Total
Non-current financial liabilities			
Borrowings	-	190.82	190.82
Current financial liabilities			
Borrowings			
Trade Payables	96.04	-	96.04
Other Financial Liability	1962.13	-	1962.13
	-		
Total financial liabilities	2,058.18	190.82	2,248.99

(c) Market Risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities

(d) Price Risk Exposure

The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the Company diversifies its portfolio. Further these are all debt base securities for which the exposure is primarily on account of interest rate risk. Quotes (NAV) of these investments are available from the mutual fund houses. Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.

➤ **Others**

- Balance of sundry debtors and creditors, loans and advances accepted and given in the balance sheet are subject to confirmation.
- As informed by the management that the loans are interest free, which in our opinion is violation of Section 186 (7) of the Companies Act, 2013.
- Above Disclosure is made after considering the principle of materiality.
- In the events of non-availability of suitable supporting vouchers, Directors have given us certificate that these expenses are incurred mainly for the business activities of the company.
- The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.
